

The latest news from Homescapesc TV!

September and October were great months to be a part of the Homescapesc TV Show, and we're excited about finishing the year out strong. We have recently employed another helping hand to start pushing Facebook, Youtube, and other social medias around the clock. So if you are on the show, you are about to get linked, shared, and tagged all over the web - all week long. We've just finished a new TV commercial for the show that will air throughout the week on KOCO. And finally, Hahn appliance is making advertising your home on the show even more affordable for Churchill Realtors. Realtors can go by the brand new Hahn Appliance Warehouse store on 3947 W Reno to pick up a coupon to list their home on the show for free! Stay tuned for more exciting things to be announced in the coming weeks!

WHAT REALTORS ARE SAYING
